

Located just off the Strand Highway, connecting the city of Coronado to the city of Imperial Beach, Sun and Sea Manor is an oasis of calm and safety, surrounded by impeccably maintained gardens bordered by a secure gated perimeter.

In addition to the ideal year-round weather, we offer our residents private and semi-private rooms, each equipped with an emergency call system.

We are truly proud of our warm home-like setting, our cozy living room with fireplace and piano, our airy garden room surrounded by picture windows and our cheerful dining room.

All indoor and outdoor areas are on one level and easily accessible.

Our limited capacity of 32 residents, allows for personal involvement and individualized relationships with each resident.

Residential Memory Care

*A*t Sun and Sea Manor you'll notice a difference when you step inside our front door. Our bright airy rooms and smiling faces welcome you into our home-like environment.

With our ongoing activities you will find our living room lively with residents engaging in group activities or interacting with their well-trained caregivers. Our dedication to dignity and respect is matched by our warmth and caring for each unique individual.

Our residents enjoy dining together in our cheerful dining room and give high praises to our delicious homemade cooking! With the breezy beach proximity and fresh air, we offer indoor and outdoor activities and our residents stroll our beautiful garden paths in complete safety.

Visit us soon and see the difference!

Our Days Center Around

*P*lanned activities such as exercise, games, home-like tasks, arts and crafts, music, outside entertainment, animal visits and other activities promote socialization and cognitive stimulation.

Our activity programs are designed for residents with all levels of dementia.

We provide entertaining and meaningful social gatherings that include residents and their families.

Religious services are held regularly.
