Located just off the Silver Strand Highway, connecting the city of Coronado to the city of Imperial Beach, Sun and Sea Manor is an oasis of calm and safety, surrounded by impeccably maintained gardens bordered by a secure gated property.

In addition to the ideal year-round weather, we offer our residents private and semi-private rooms, each equipped with an emergency call system.

Residents enjoy our warm, homelike setting, cozy living room with fireplace and piano, an airy garden room surrounded by picture windows, and our cheerful dining room. All of our indoor and outdoor areas are on one level and easily accessible.

Our limited capacity of 32 residents allows for personal involvement and individualized relationships with each resident.

Taking Care of Your Loved Ones

At Sun and Sea Manor, you'll notice a difference when you step inside our front door. Our bright and airy rooms and smiling faces welcome you into our homelike environment.

Our days are centered around a planned calendar that includes exercise, games, arts & crafts, music, outside entertainment, and other activities that promote socialization and cognitive stimulation. Our dedication to dignity and respect is matched by our warmth and caring for each unique individual.

Our residents enjoy dining together in our cheerful dining room and give high praises to our delicious homemade cooking! With the breezy beach proximity and fresh air, we offer indoor & outdoor activities and a beautiful garden path where residents stroll in complete safety.
